About me

A Business Development professional with **5+** years of experience driving B2B and SaaS revenue across the USA, Europe, and MENA. Track record of exceeding sales targets through data-driven prospecting, consultative selling, and disciplined pipeline management. **Salesforce, HubSpot, and Pipedrive** power user with experience spanning enterprise sales, M&A acquisition sourcing, and international market development.

Work Experience

Business Development Executive

FAMS by Falkenherz **April 2026 – Present**

Job Role

- Drive multi-channel prospecting **(Calls, WhatsApp, email, LinkedIn, events**) to build and sustain a high-quality pipeline across target industries.
- Lead structured discovery **(SPIN & BANT)** to uncover key challenges, compliance needs, KPIs, and budget alignment.
- Position solutions with strong ROI, linking capabilities to measurable gains in efficiency, safety, cost reduction, and productivity.
- Own the full sales cycle, develop proposals, lead demos/PoCs, handle objections, negotiate terms, and close deals.
- Maintain accurate **CRM (PipeDrive)** forecasting, track pipeline performance, and collaborate cross-functionally to refine strategy and drive results.

Business Development Specialist

Contour Software (PVT) LTD **(Perseus Group, Constellation Software) Sep 2024 – April 2026**

Job Role

- Source and qualify M&A acquisition targets across multiple software verticals, supporting Portfolio Managers through the full investment-sourcing pipeline.
- Run targeted email outreach to prioritized investment targets, generating qualified opportunities per quarter for the deal team.
- Maintain Salesforce data integrity across active accounts, improving reporting accuracy and pipeline visibility for senior stakeholders
- Input all activities into and assist with the maintenance of our **Salesforce database**.

Business Development Specialist West Europe / USA

FORMULATRIX® **Jan 2023 – Sep 2024**

Job Role

- Exceeded 2023 annual sales target of **$350K USD** across Western European and US markets.
- Owned end-to-end sales pipeline using CRM reporting for account pacing, campaign engagement, and quarterly sales analysis.
- Negotiated and closed new-client contracts, expanding the regional client base and securing recurring revenue.
- Launched customer awareness programs for software and hardware upgrades, driving adoption among existing accounts.

Business Development Representative

KnowledgeCity **Mar 2021 – Apr 2022 (Remote Consultant)**

Job Role

- Qualified inbound and outbound leads via calls, email, and LinkedIn, booking 5 demos per month for Account Executives.
- Researched target industries and decision-makers to tailor outreach, aligning with Marketing on campaign strategy.
- Tracked activity and performance metrics in CRM **(e.g., Pipedrive)** to improve efficiency.

Job Role

Sales Specialist

EMENEC **June 2020 – Feb 2021**

- Opened new B2B business across international markets through cold calling, inbound conversion, and consultative sales strategy.
